Howdy Area XI!

My name is Alley Fitzgerald, and I am beyond proud to be representing the Columbus FFA Chapter from the Bluebonnet District.

FFA has impacted my life in so many beautiful ways; Before I became actively involved in this incredible organization, I struggled to find something I was passionate about, but writing this now—years later—my entire heart and soul are undoubtedly dedicated to my chapter, this area, and the entire Texas FFA Association. FFA is, and will remain, the true source of every ounce of passion within my being.

FFA has taught me countless life skills, leadership competencies, and other crucial aspects necessary for success. As an Area XI Presidential candidate, I want nothing more than to be able to give back to this remarkable organization. I want to inspire members to truly reach for the stars and unlock their full potential within FFA, ultimately leaving behind admirable legacies for future agriculturists.

Area XI, I am eager to see what the future holds for us, yet extremely humbled to have the opportunity to represent all of you during my year of service. Nevertheless, I can promise you now I will always prioritize this Area and my goal to impact members statewide by increasing awareness of the life-changing opportunities available in FFA.

I want to thank everyone who has made my earnest dream a spirited reality, and to the entire Area XI Association, who truly painted my heart a beautiful national blue and corn gold.

Sincerely,

Alley Fitzgerald
