Hello Area XI FFA members!

My name is Maggie Rempe from the Yoakum FFA Chapter! FFA has always been a big part of my life and I'll never forget looking up to the chapter officers when I was just in Junior FFA. That's really when I fell in love with the blue and gold! Early on, showing pigs were also what hooked me, however, I was eager to become involved in FFA leadership to help spread my excitement for this organization!

My FFA journey has allowed me to meet many incredible people. FFA is my 2nd family and has brought me confidence I never knew I had. I honestly believed I would never enjoy public speaking, but it's what I love the most now because I can be a LOUD advocate for FFA. My goal as a leader is to motivate others to try EVERYTHING the FFA offers, and find that inner self you never knew was there!

Get excited Area XI! It's going to be a fabulous year to try new things, meet new people, and have fun along the way.

I look forward to meeting all of you and making new memories together!
